Making A Difference

140690

Serving as coordinator of the "Amazing Grace Makeover" was an honor, the 'thank you's' were the reward.

A retired pastor and his wife from Cape Coral received the generosity of approximately 50 volunteers in the 'makeover' of their home.

I devised the plan, invited church friends to get involved and to 'get it done.' Tasks included interior and exterior painting and cleaning, handyman services and pressure washing. A total 'makeover.'

Being a REALTOR® is about building relationships and helping people when needed.
