Making A Difference

152539

Our goal was to help just one family... Suddenly there were six!

After Katrina, I was asked to lead our hurricane relief effort at Grace Church (UMC). As leader of "The Starfish Project" I was to find one family housing, furnishings, help them get connected to jobs and schools, and get a fresh start... no strings attached.

Pastor Jorge Acevedo sent out a call to action to the congregation and the community at large. The response was overwhelming! The Starfish Project was able to help six deserving families!

What a joy it was to see church and community come together to help and love these families. It was life changing for us all.
